First Cap Gives Back!

First Capital Federal Credit Union raised money all 2nd quarter to support Turning Point through their First Cap Gives Back program. They raised an amazing \$550.00 from pretzel sales and dress down days at their various branch locations. In addition, they committed \$1000.00 to be a Silver Sponsor of our annual Night on the Terrace Event! Staff Spotlight

Deb Goodling-Kime Finance Director

After initially volunteering with our golf committee, Deb Goodling-Kime officially joined Turning Point's team in 2019 as our very first Finance Director. Over the last four years she has been an integral part of the growth that Turning Point has undergone. Deb created new internal systems, engaged new donors, led our construction and renovation process, chaired our golf committee and everything in between!

Deb has been honored with various awards for her leadership, including Alumni of the Year at York College, one of the Top 50 Women in Business in Pennsylvania, one of the Top 40 Business leaders under Forty in Pennsylvania, and the Athena Award.

Her passion in life is to make a difference in the community, her profession, and the lives of others and she has certainly done that here at Turning Point! We wish Deb a wonderful retirement and hope she gets to enjoy all the things she loves, including her adorable new grandson!

Join us in wishing Deb a Fabulous Retirement!

Donor Spotlight

Anne Brozoskie

Anne Brozoskie was first introduced to Turning Point at our 1st annual "Night on the Terrace" event last August. After attending, she reached out to us to see what she and her family's foundation, The Leonard and Judith Schwartzbaum Family Foundation, Inc., could do to help survivors. Anne's passion for overall wellness led her foundation to sponsor a JCC (Jewish Community Center) membership for Turning Point. This membership allows our clients and clinicians to utilize everything that the JCC offers – from exercise equipment and classes to the pool and sauna, during their individual healing journeys.

Next, Anne chose Turning Point as the recipient of her birthday party fundraiser, where she raised over \$1500 to support survivors. That donation was utilized to purchase exercise clothing/swimsuits and gear for our clients to be able to make use of the JCC. In addition, those funds were also able to provide one of our teenage clients with a transportation scholarship, to help her with getting to work and therapy during her pregnancy. It is donors like Anne who help us create a safe, welcoming, and caring environment for all survivors of childhood sexual abuse, and for that we are so very grateful!
